# make yourself some Dirt Pudding

## What You Need

- chocolate pudding (instant or not)
- chocolate wafer cookies
- bowl/cup or clean, plastic flower pot
- foil (for the flower pot)
- gummy worms (optional)
- plastic flower (optional)

- 1 Make the pudding according to the directions on the box.
- 2 Put the pudding in bowls. Or, use foil to cover the hole in the bottom of a clean, plastic flower pot and **pour** the pudding in.
- 3 Crush the cookies into small bits (the back of a spoon works for this). **Sprinkle** onto your pudding. **Top** it with fake flowers and gummy worms for the full effect.
