# Blindfolded Self-portrait

- 1 Blindfold your partner and give her a marker.
- 2 Lead your partner to the paper and watch him or her draw a self-portrait. Remove the blindfold to let her see the results!

Try it  
Out!

What would happen if your partner spun around before drawing her self-portrait? What if your partner had to draw with her left hand? What other things can you have your partner try drawing blindfolded? Another cool zinger is to blindfold your partner and have her dribble a basketball blindfolded through a maze.
